SCIENCE SLAM

A **science slam** is a scientific **talk** where scientists present their own scientific research work in a given time frame in front of a diverse non-expert audience in an entertaining way. The presentation is **judged by the audience**

Scientists solve problems – but communicating science is a problem they've grappled with for years.

RESEARCHERS IN MOTION

science slam

The **EURAXESS Science Slam India**

- MA/M.Sc. candidates, Ph.D, Post doc etc
- Universities, research institutes, private sector or related careers
- **All fields of research** – Social Sciences, Humanities, Life Sciences and Engineering
- **Any nationality** and age (18+) who are based **in India**.

The competition has **two stages**:

- (i) the ***'Virtual' Pre-selection (online)*** where candidates will submit a short video in a creative, entertaining and accessible way;

- (ii) the ***'Live' Finals*** where the finalists will perform in front of the review panel and a mixed audience who will choose the winner.

GET CREATIVE

The **1st prize** is the **EURAXESS Science Slammer title** and a **round trip to Europe to visit** Brussels and **any research institute of the winner's choice** in the European Union.

Send your video and become one of the **5 finalists** to receive a short science **communication training** on 11 November 2017 in **Chennai**

and

to compete in the **LIVE slam** on **8 December 2017 in Kolkata!**

Online submission of slam (video) presentations:
Closes on 10 October 2017
