Hosting Experience under MCA/MSCA

- During FP7 (2007-2013), KU hosted 37 MCA projects, mostly incoming and outgoing fellowships
- At the end of H2020 (2014-2020), KU was the most active Turkish university in MSCA, with 19 IF hostings, 1 ITN and 1 RISE participation
- February 2021: KU received the «HR Excellence in Research» award
- Research office supports MSCA proposal development, orientation, incoming PI procedures

- Contact me for inquiries and hosting possibilities: We can match researchers with potential supervisors – Emrah Göker (egoker@ku.edu.tr)
