Endorsement of the European Charter for Researchers and Code of Conduct for the Recruitment of Researchers

Universitat Politècnica de València welcomes and supports the initiative of the European Commission to improve working conditions for researchers and to ensure attractive research careers within the European Research Area.

Having endorsed the 40 principles of Charter and Code, we notify you about our commitment to get involved into the process of implementing a Human Resources Strategy for Researchers (HRS4R) in our institution.

Universitat Politècnica de València is one of the leading research universities at the national level, with an increasing international reach.

A continuous enhancement of working conditions and career opportunities is one of the top priorities of this university. We therefore welcome the opportunity of internal analysis in the framework of the HRS4R and aim at embedding this process in the wide array of current activities in the area of human resources.

By implementing the Charter and Code Universitat Politècnica de València aims at attracting the most outstanding researchers within the European Research Area and beyond.

Best regards,
