**Endorsement of The European Charter for Researchers
and The Code of Conduct for the Recruitment of Researchers**

The Medical University of Gdańsk established on October 8th, 1945, represented by Prof. Dr. Habil. Marcin Gruchała, Rector, having endorsed the 40 principles of the European Charter for Researchers and the Code of Conduct for the Recruitment of Researchers, notify you about our commitment to implement these principles via the Human Resources Strategy for Researchers (HRS4R) in our institution.

The Medical University of Gdańsk has been awarded in the prestigious Excellence Initiative – Research University competition. We recognize the value of principles and requirements of the European Charter for Researchers and the Code of Conduct for the Recruitment of Researchers in enhancing the professional development of the researchers. Through the implementation of those principles, we are willing to continue international cooperation and become an open and attractive workplace for researchers.

Kind regards,
