Declaration of Endorsement of and Commitment to the European Charter for Researchers and the Code of Conduct for the Recruitment of Researchers (Charter and Code)

INESC-ID, represented by Maria Inês Camarate de Campos Lynce de Faria and João Paulo Baptista de Carvalho, President and Director respectively, fully endorses the principles of the European Charter for Researchers and the Code of Conduct for the Recruitment of Researchers.

Many of these principles have already been implemented in our institute.

INESC-ID hereby declares its commitment to further implement these principles of Charter and the Code via the Human Resources Strategy for Researchers (HRS4R).

INESC-ID not only supports the work and development of individual researchers, but also aims to maintain the high quality of research in general.

We strongly believe that implementing these principles of the Charter and Code will contribute to further develop the European Research Area.

Yours faithfully,

Maria Inês Camarate de Campos Lynce de Faria
President

João Paulo Baptista de Carvalho
Director
