

DECLARATION OF COMMITMENT BY THE GALICIAN CENTRE FOR MATHEMATICAL RESEARCH AND TECHNOLOGY (CITMAGA) TO THE PRINCIPLES OF “THE EUROPEAN CHAPTER FOR RESEARCHERS” AND “THE CODE OF CONDUCT FOR THE RECRUITMENT OF RESEARCHERS”

The Galician Centre for Mathematical Research and Technology (CITMAGA) undersigns the Commission Recommendation 2005/251/EC on the “European Chapter for Researchers” and the “Code of Conduct for the Recruitment of Researchers” (Charter and Code), and expresses its full adhesion to the 40 principles of the Charter and Code.

Within its legal boundaries and in accordance with its internal policies, CITMAGA hereby commits itself to applying the stated principles by defining and implementing the CITMAGA’s Human Resources Strategy for Researchers.

In doing so CITMAGA aims at promoting transparency, accessibility and equity and the pursuit of excellence of selection and recruitment of researchers. Another goal is also to reinforce its effort to create the best possible working environment within which its researchers can develop their careers, while at the same time contributing to further develop the European Research Area.
