Letter of Endorsement and Commitment of Central European Institute of Technology at Masaryk University to the European Charter for Researchers and the Code of Conduct for the Recruitment of Researchers

Central European Institute of Technology at Masaryk University (also "CEITEC MU") is a university institute and a leading partner of CEITEC Consortium. We would like to refer to the endorsement letter from 30 July 2012 (attached), in which CEITEC Consortium undersigned the European Charter for Researchers and the Code of Conduct for the Recruitment of Researchers (also "Charter and Code"). CEITEC from its beginning in 2011 appreciated the initiative of the European Commission and the recommendations given in the Charter and Code.

CEITEC MU herewith repeats its endorsement for the principles of the Charter and Code, as already stated in 2012, and notifies about its commitment to get involved into the process of implementing a Human Resources Strategy for Researchers (HRS4R).

This endorsement and notification by CEITEC MU is fully in line with the Strategic Plan of CEITEC MU aiming at enhance coherent, transparent, fair and supportive conditions of employment at any stage or researchers' career. The signature of the Charter and Code underlines our institution's vision to become internationally recognized research institute in life sciences and being an institute with open, international, fair and friendly environment.

CEITEC MU is higher education institute of the Masaryk University (MU), established pursuant to Section 22 (1) b) of the Higher Education Act of the Czech Republic and specified in section 2 b) of Annex No. 2 of the MU's Statute.

Yours sincerely,

Jiří Nantl
Director
