Declaration of Commitment by INESAN (Institute for Evaluations and Social Analyses) for European Charter for Researchers and the Code of Conduct for the Recruitment of Researchers

To whom this may concern,
INESAN considers personnel policy and human resource development as a key element of improving the quality of our own research activities. In this regard, our Institute endorsed the 40 principles of Charter for Researchers and the Code of Conduct for the Recruitment of Researchers.

Thereby we declare our commitment to get involved into the proces of implementing a Human Resource Strategy for Researchers (HRS4R) in our institution.

Sincerely,

Ing. Jana Menšíková
Institute for Evaluations and Social Analyses
Executive Director
