The European Charter and Code for Researchers

Zlín, Czech Republic

22 November 2017

Commitment to become involved in the process of implementing HRS4R

On behalf of Tomas Bata University in Zlín, having endorsed the 40 principles of the Charter and Code, we notify you about our commitment to become involved in the process of implementing a Human Resources Strategy for Researchers (HRS4R) in two of our constituent organizational units - the University Institute (UNI) and the Faculty of Applied Informatics (FAI).

With best regards,

prof. Petr Sáha
rector
