***Declaration of commitment
to the European Charter for Researchers
and the Code of Conduct for the Recruitment of researchers***

The Institute of Fundamental Technological Research of the Polish Academy of Sciences (IFTR PAS), represented by Professor Tadeusz Burczyński, Director, expresses its full support and declares its commitment to the principles of the European Charter for Researchers and the Code of Conduct for the Recruitment of Researchers, as laid down in the Recommendation of the European Commission 2005/251/EC.

The principles of the Charter and the Code are in line with the strategy of the Institute which aims to further increase its attractiveness to researchers by creating favourable working environment, enhancing the quality of research and innovation and boosting international mobility.

Majority of the Charter & Code recommendations have been already implemented at the IFTR PAS and they constitute a common practice which contributes to the development of an open and attractive European market for researchers.

Yours faithfully,

Prof. Tadeusz Burczyński
Director
