

**European Commission
Directorate-General for Research****Declaration of Commitment by BIODIT RESEARCH & DEVELOPMENT, SL to the principles of "The European Charter for Researchers" and "The code of conduct for the Recruitment of Researchers"**

BIODIT RESEARCH & DEVELOPMENT, SL welcomes and supports the Recommendation of the European Commission 2005/251/EC on both "The European Charter for Researchers" and "The Code of Conduct for the Recruitment of researchers".

Having endorsed the 40 principles of the Charter and Code, BIODIT RESEARCH & DEVELOPMENT, SL notify you about our commitment to start the procedure and to undergo all subsequent cycles of the implementation of the Human Resources Strategy for Researchers (HRS4R) in our institution.

Within its legal boundaries, BIODIT RESEARCH & DEVELOPMENT, SL, hereby commits itself to applying the stated principles via its human resources policies for researchers and to promoting transparency, accessibility, equity, and the pursuit of excellence in the recruitment of researchers.

In adhering to this Recommendation, BIODIT RESEARCH & DEVELOPMENT, SL will reinforce its effort to create the best possible framework within which its researchers can develop their careers, while at the same time contributing to the development of the European Researcher Area.
