The Institute of Slavic Studies of the Polish Academy of Sciences, represented by Director Professor Anna Zielińska, welcomes and fully supports the general values, 40 principles and requirements for researchers and employers as proclaimed in the *European Charter for Researchers* and the *Code of Conduct for the Recruitment of Researchers*.

Others are presently being developed and will be applied in the near future.

By implementing the Charter and the Code principles, the Institute of Slavic Studies intends to contribute to the realization of an attractive, transparent, dynamic and mobile Polish and European labour market for researchers.
