Commitment of the Faculty of Education of the University of West Bohemia to
“The European Charter for Researchers”
and
“The Code of Conduct for the Recruitment of Researchers”

The Faculty of Education (FPE), represented by the Dean, RNDr. Miroslav Randa, Ph.D., as a part of the University of West Bohemia in Pilsen, represented by the Rector, doc. Dr. RNDr. Miroslav Holeček, welcomes and fully supports the initiative of the European Commission and the recommendations given in the European Charter for Researchers (Charter) and the Code of Conduct for the Recruitment of Researchers (Code).

In compliance with the recommendations, we commit ourselves to implement the principles of the Charter and the Code in order to develop a human resources strategy for researchers making a true difference and attracting the most excellent researchers within the European Research Area and beyond.

Many of those principles have already been implemented by the FPE. Nevertheless, the adoption of the Charter and the Code will give us the opportunity of internal analysis in the framework of the Human Resources Strategy for Researchers. For us, the principles and recommendations of the Charter and the Code are basic rules to support the work of researchers and to maintain the high quality of research.
