Declaration of commitment to the European Charter for Researchers and the Code of Conduct for the Recruitment of Researchers

The University of Siegen, represented by its Rector, Prof. Dr. Holger Burckhart, fully endorses the Recommendation of the European Commission on the European Charter for Researchers and the Code of Conduct for the Recruitment of Researchers.

A number of aspects of the Charter and Code have already been implemented to provide an attractive and supportive environment to researchers.

By endorsing the Charter and Code, the University of Siegen intends to raise the awareness of the value of the Charter and Code principles and to provide additional guidelines for further improvement.
