We the University POLITEHNICA of Bucharest, the most important technical university of Romania, having endorsed the 40 principles of Charter and Code, notify you about our commitment to get involved into the process of implementing a Human Strategy for Researchers (HRS4R) in our institution.

We are in the stage of Gap Analysis development and we will continue with the revision of our University's Strategy together with the development of the OTRM and Action Plan Design and other actions which will be identified as necessary in this purpose.

By implementing the Charter and Code principles the University POLITEHNICA of Bucharest aims at attracting the most outstanding researchers within the European Research Area and beyond.

Yours faithfully,

Vice-rector for Research

Prof. Dr. Ing. Tudor PRISECARU
