Endorsement of the European Charter for Researchers and Code of Conduct for the Recruitment of Researchers (Charter and Code)

Åbo Akademi University welcomes and supports the initiative of the European Commission to ensure a stimulating and supportive research environment for researchers. With this endorsement, we embrace the 40 principles of Charter and Code and give notification about our commitment to implement these principles in our institution via the Human Resources Strategy for Researchers (HRS4R).

Turku, 1 October 2019

Moira von Wright

Rector
