Declaration of Endorsment of and Commitment to the European Charter for Researchers and the Code of Conduct for the Recruitment of Researchers (Charter and Code)

Palacký University Olomouc, represented by its Rector, Jaroslav Miller, fully endorses the principles of the European Charter for Researchers and the Code of Conduct for the Recruitment of Researchers.

Many of these principles have already been implemented at our University.

Palacký University Olomouc hereby declares its commitment to further implement these principles of Charter and the Code via the Human Resources Strategy for Researchers (HRS4R).

Palacký University Olomouc not only supports the work and development of individual researchers, but also aims to maintain the high quality of research in general.

We strongly believe that implementing these principles of the Charter and Code will contribute to further develop the European Research Area.

Best regards,

Prof. Mgr. Jaroslav Miller, M.A., PhD.
