**Declaration of Endorsement of and Commitment
to the European Charter for Researchers
and the Code of Conduct for the Recruitment of Researchers
by the University of Chemistry and Technology, Prague**

We, the University of Chemistry and Technology, Prague, established in Prague in 1952, represented by prof. RNDr. Pavel Matějka, PhD, Rector, having endorsed the 40 principles of the European Charter for Researchers and the Code of Conduct for the Recruitment of Researchers, notify you kindly about our commitment to implement these principles via the Human Resources Strategy for Researchers (HRS4R) in our institution.

Numerous of the proposed principles represent already everyday practice at the University of Chemistry and Technology, Prague; other codes will be implemented rapidly. The University of Chemistry and Technology, Prague considers these rules and requirements a crucial pillar of support for the researchers to develop fully an excellent European research environment.

Kind regards,

Prof. RNDr. Pavel Matějka, PhD
Rector
