

The University of Applied Sciences Technikum Wien undersigns „The European Charter for Researchers“ and „The Code of Conduct for the Recruitment of Researchers“

The University of Applied Sciences Technikum Wien, represented by Ing. Dr. Michael Würdinger (Executive Manager) and FH-Prof. DI Dr. Fritz Schmöllebeck (Rector), adheres to the ideas and principles underlying The European Charter for Researchers and The Code of Conduct for the Recruitment of Researchers.

The recommendations in the Charter and Code have long been the guiding principles behind the strategy, practice and quality management of the University of Applied Sciences Technikum Wien.

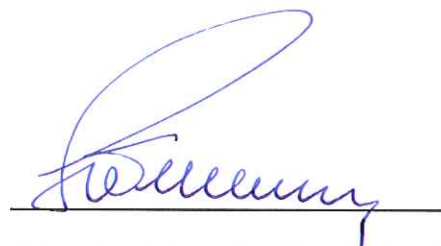

In addition to higher education, Universities of Applied Sciences have increasingly embraced research and researchers. Now is the time to commit ourselves to a strong strategic initiative to solidify the base for conducting research and engaging researchers at our institution.

In this way, the University of Applied Sciences Technikum Wien shall ensure excellence in research, development, and sustainability of human resources.

Wien, 9.3.2012
