Endorsement of the European Charter for Researchers and Code of Conduct for the Recruitment of Researchers (Charter and Code)

Comenius University in Bratislava welcomes and supports the initiative of the European Commission to ensure a supportive research environment for researchers on mobility. Having endorsed the 40 principles of Charter and Code, we notify you about our commitment to implement these principles in our institution via the Human Resources Strategy for Researchers (HRS4R).

Comenius University in Bratislava is one of the leading research universities at the national level, with an increasing international outreach. A continuous enhancement of, amongst others, working conditions and career opportunities is one of the top priorities of this university. By implementing the Charter and Code principles Comenius University in Bratislava aims at attracting the most outstanding researchers within the European Research Area and beyond.

Best regards,

Prof. JUDr. Marek Števíček, PhD.
