DECLARATION OF COMMITMENT TO THE PRINCIPLES OF THE EUROPEAN CHARTER OF RESEARCHERS AND CODE OF CONDUCT FOR THE RECRUITMENT OF RESEARCHERS

Fundación BCMaterials-Basque Center for Materials, Applications and Nanostructures is an autonomous research center launched by Ikerbasque, the Basque Foundation for Science and the University of the Basque Country (UPV/EHU) as a research center for Materials, Applications and Nanostructures. The center is included in the BERC’s (Basque Excellence Research Centers) network and its mission is to generate knowledge on the new generation of materials, turning this knowledge into (multi)functional solutions and devices for the benefit of society.

Fundación BCMaterials-Basque Center for Materials, Applications and Nanostructures aims to contribute to the objectives of the European Research Strategy, by fostering the mobility of researchers and the Excellence at Science, and hereby declares the commitment of foundation, to the principles laid down in the European Commission’s Recommendation of March 11, 2005.

The will of Fundación BCMaterials-Basque Center for Materials, Applications and Nanostructures is to contribute to the career development of the research community according to the principles and recommendations of the Charter and Code of Conduct.
