**Subject : Declaration of Endorsement of the « European Charter of Researchers » and the « Code of Conduct for Recruitment of Researchers » and HRS4R by Centrale Lille Institut**

The Institute "Centrale Lille Institut", represented by its Director, Emmanuel DUFLOS, declares its commitment to the principles of the European Charter for Researchers and the Code of Conduct for the Recruitment of Researchers.

Many of these principles have already been implemented in our institute.

The Institute "Centrale Lille Institut" hereby declares its commitment to further implement these principles of Charter and the Code via the Human Resources Strategy for Researchers (HRS4R).

The Institute "Centrale Lille Institut" not only supports the work and development of individual researchers, but also aims to maintain the high quality of research in general.

We strongly believe that implementing these principles of the Charter and Code will contribute to further develop the European Research Area.

Yours faithfully,

Emmanuel Duflos,

Director of Centrale Lille Institut
