**Declaration of Commitment
to the European Charter for Researchers and
the Code of Conduct for the Recruitment of Researchers**

The Institute of Space Science – INFLPR Subsidiary, represented by Director Dr. Alexandru Florin DOBRIN, fully endorses the principles of the European Charter for Researchers and the Code of Conduct for the Recruitment of Researchers.

Although many of these principles have been implemented in our Human Resources policies, the institute further expresses its commitment to apply all of them via a Human Resources Strategy for Researchers (HRS4R) to promote transparency, accessibility, equity, and the pursuit of excellence in the recruitment of researchers.

By adhering to these good practices, the Institute of Space Science – INFLPR Subsidiary maintains a high quality of research within the European Research Area.

Yours sincerely,

Director,

Dr. Alexandru Florin DOBRIN
