Declaration
of endorsement of and commitment to the European Charter for Researchers
and
to the Code of Conduct for the Recruitment of Researchers

Institutul de Chimie Fizică – Ilie Murgulescu (ICF) („Ilie Murgulescu” Institute of Physical Chemistry), is a research institute subordinated to the Romanian Academy, represented by its Director, dr. Ioan BALINT. ICF fully endorses the principles of the European Charter for Researchers and the Code of Conduct for the Recruitment of Researchers. It is to mention that many of these principles are already implemented in the institute.

The endorsement is in line with our institutional policy for research aiming at providing a fair and attractive research environment for all researchers who carry out their work in ICF and maintaining the high quality of research and innovation.

Institutul de Chimie Fizică – Ilie Murgulescu is ready to implement the principles of the Charter and the Code via the Human Resources Strategy for Researchers (HRS4R) contributing to further strengthen the European Research Area and strengthening the position and visibility of the ICF in both the EU and international research community.

Should you need any information, please do not hesitate to get in touch with our contact team: icf.hrs4r@icf.ro.

Yours faithfully

Dr. Ioan Balint
