Declaration of Endorsement of and Commitment to the European Charter for Researchers and the Code of Conduct for the Recruitment of Researchers (Charter and Code)

VID Specialized University, represented by its Rector, Prof. Dr. Bård Mæland, fully endorses the principles of the European Charter for Researchers and the Code of Conduct for the Recruitment of Researchers.

Many of these principles have already been implemented in our institution. VID Specialized University hereby declares its commitment to further implement these principles of Charter and the Code via the Human Resources Strategy for Researchers (HRS4R).

VID Specialized University not only supports the work and development of individual researchers, but also aims to maintain the high quality of research and education in general. We strongly believe that implementing these principles of the Charter and Code will contribute to further develop the European Research Area.

Yours sincerely,

Bård Mæland
Rector
