### Declaration of Endorsement of and Commitment to the European Charter for Researchers and the Code of Conduct for the Recruitment of Researchers (Charter and Code)

The “Gheorghe Asachi” Technical University of Iași, represented by Prof. Dan CASCAVAL, Ph.D. as Rector, fully endorses the principles of the European Charter for Researchers and the Code of Conduct for the Recruitment of Researchers.

Many of these principles have already been implemented or are currently in the process of implementation in our university.

The “Gheorghe Asachi” Technical University of Iași hereby declares its commitment to further implement the principles of the Charter and the Code via the Human Resources Strategy for Researchers (HRS4R).

The “Gheorghe Asachi” Technical University of Iași not only supports the work and development of individual researchers, but also aims to maintain the high quality of research in general.

We strongly believe that implementing these principles of the Charter and Code will contribute to further developing the European Research Area.

Sincerely yours,
