To the European Commission

Via the Federal Ministry of Education, Science & Culture

Vienna, 2nd October 2006

Several of the practices indicated in the documents are already common practice within the ÖAD, while others will have to be addressed in the future.

The ÖAD especially supports the paragraphs concerning the mobility of researchers (value of mobility and recognition of mobility experience) and is constantly working on the improvement of the framework conditions for the mobility of researchers.

Univ. Prof. Dr. Alfred EBENBAUER
President

Mag. Ulrich HÖRMANN
Secretary General
