5th February 2015

Dear Chairman,

AIT hereby declares its commitment to the principles laid down in the recommendations. By signing up to the principles of the recommendation, AIT confirms its intention to continue to engage in the transnational effort to improve conditions for researchers throughout Europe, promote research as an attractive career and work to enhance the quality of research and innovation by facilitating international collaborations and transnational, interdisciplinary and intersectoral mobility of Researchers.

AIT is a member of the 4th Cohort to the HRS4HR and is activity working to ensure the recommendations are implemented through the development of the AIT gap analysis and Strategy & Actions plan for AIT.

Yours sincerely,

Professor Ciarán Ó Catháin
President
