Commitment of the Ernst-Moritz-Arndt-University of Greifswald to the European Charter for Researchers and the Code of Conduct for the Recruitment of Researchers

The University of Greifswald, represented by its Rector, Prof. Dr. Johanna Eleonore Weber, recognizes and supports the Recommendation of the European Commission of March 11th 2005 on the “European Charter for Researchers” and the “Code of Conduct for the Recruitment of Researchers”.

Several of the general principles of the Charter and Code have already been implemented and are common practice at the University of Greifswald to foster the work of researchers and to maintain the high quality of research. Nevertheless, the adoption of the Charter and Code will provide additional guidelines of orientation for further improvement.

To confirm this commitment the University of Greifswald is pleased to endorse the guidelines outlined in the Charter and Code in a resolution of the Executive Committee (2015.06.17) and is thus voluntarily bound to adhere to them within its area of authority.
