## Declaration of Endorsement for the European Charter for Researchers and the Code of Conduct for the Recruitment of Researchers

Instytut Techniki Budowlanej, ITB (The Building Research Institute), represented by the Managing Director, Marcin M. Kruk, PhD, declares the support of the European research policy development and fully supports the Recommendation of the European Commission 2005/251/EC on 'The European Charter for Researchers' and 'The Code of Conduct for the Recruitment of Researchers'.

The Institute endorses the Charter and the Code and recognizes the high value of their principles thereby voluntarily commits itself to apply them.

The Institute understands the importance of the Charter and the Code which specify the roles, responsibilities and rights of researchers, as well as, of their employers and funders. Many principles of the Charter and the Code are already commonly practiced in the ITB.

The Building Research Institute supports this initiative and declares undertaking all necessary steps to assure consistency of rules in force in the ITB with the principles of the Charter and the Code.
