Bialystok, 13 May 2016

European Commission
Attention: Carlos Moedas
Commissioner for Research, Science and Innovation

The Medical University of Bialystok represented by Professor Adam Krętowski, MD, PhD vice Rector for Scientific Affairs at the Medical University of Bialystok welcomes and fully supports the Recommendation of the European Commission on the European Charter for Researchers and Code of Conduct for the Recruitment of Researchers (hereinafter referred to as: the Charter & Code).

By endorsing the Charter & Code, the Medical University of Bialystok recognises the value of its principles and voluntarily commits itself to applying them.

This endorsement by the Medical University of Bialystok is fully in line with its policy aiming at making a researcher's career more attractive and at enhancing the quality of research and innovation. The signature of the Charter & Code is also a further commitment to foster international collaboration and the various forms of mobility by researchers.

By implementing the Charter & Code principles, the Medical University of Bialystok intends to contribute to the realisation of an open and attractive European labour market for researchers.
