DECLARATION OF COMMITMENT
of the Mossakowski Medical Research Centre of the Polish Academy of Science
to
“The European Charter for Researchers”
and “The Code of Conduct for the Recruitment of Researchers”.

The Mossakowski Medical Research Centre of the Polish Academy of Science fully endorses and support “The European Charter for Researchers” and “The Code of Conduct for the Recruitment of Researchers”.

The MMRC fully shares general values and principles underlining the Charter and Code and it is willing to work towards the complete and effective implementation thereof.

In connection with the declaration MMRC, revised all its internal regulation and practices to which the Charter & Code apply and established an Action Plan in view to ensure full application of the Charter and Code.

By implementing the “European Charter for Researchers” and the “Code of Conduct for the Recruitment of Researchers”, Mossakowski Medical Research Centre of the Polish Academy of Science intends to contribute to the realisation of more efficient and attractive labour market for researchers.
