Declaration of support for the European Charter for Researchers and the Code of Conduct for the recruitment of Researchers

The National Institute of Public Health – National Institute of Hygiene (NIPH-NIH) represented by Director Professor Mirosław J. Wysocki, MD, welcomes and fully supports the Recommendation of the European Commission 2005/251/EC on “The European Charter for Researchers” and “The Code of Conduct for the Recruitment of Researchers” (hereafter referred to as the Charter and the Code).

The principles of the Charter and the Code are in line with the NIPH-NIH policy aiming at increasing Institute’s attractiveness for researchers by offering them a favourable working environment, enhancing quality of research and boosting international mobility.

By endorsing the Charter and the Code NIPH-NIH recognises the value of their principles and commits itself to apply them.

By implementing the Charter and the Code NIPH-NIH intends to foster international collaboration and contribute to the development of an open and attractive European labour market for researchers.

Sincerely yours,

DIRECTOR
National Institute of Public Health
