**Declaration of support for the European Charter for Researchers and the Code  
of Conduct for the Recruitment of Researchers.**

The National Centre for Nuclear Research (NCBJ) represented by Director, Professor Grzegorz Wrochna, welcomes and fully supports the Recommendation of the European Commission 2005/251/EC on „The European Charter for Researchers” and „The Code of Conduct for the Recruitment of Researchers“. By endorsing the Charter and the Code, NCBJ recognizes the value of their principles and voluntarily commits itself to apply them.

The principles of the Charter and the Code are in line with NCBJ policy aiming to create Institute's attractiveness to researchers by offering them a favourable working environment, enhancing the quality of research and innovation and boosting international mobility.

By implementing the Charter and the Code NCBJ intends to foster international collaboration and contribute to the development of an open and attractive European labour market for researchers.
