Declaration of commitment by the Technology Center of Nutrition and Health to “the Principles of the European Charter” for Researchers and “the Code of Conduct for the Recruitment of Researchers”

Within its legal boundaries, CTNS hereby commits itself to applying the stated principles via its human resources policies for researchers and promoting transparency, accessibility, equity and the pursuit of excellence in the recruitment of researchers.

In adhering to this recommendation, CTNS will reinforce its effort to create the best possible framework within which its researchers can develop their careers, while at the same time contributing to the development of the European Research Area.

If you need further information about us, don’t hesitate to contact us.

Sincerely,

Aurea Rodriguez
