To the European Commission

The University of Gjirokaster “Eqrem Çabej” undersigns “The European Charter for Researchers” and The Code of Conduct for the Recruitment of Researchers”

The University of Gjirokaster “Eqrem Çabej”, represented by the Rector Prof. Gëzim Sala and Vice Rector for Science and International Relations Prof. Liljana Rečka welcomes and fully supports the initiative of the European Commission and the recommendation given in the European Charter for Researchers and Code of Conduct for the Recruitment of Researchers.

We are confident that the implementation of the European Charter for Researchers and Code of Conduct for the Recruitment of Researchers will contribute to strive towards removing barriers to researcher’s mobility and help a better integrated European market for researchers, from both within and outside EU.

Yours sincerely,

Prof. dr. Gëzim SALA
