Declaration of commitment to the Recommendation of the European Commission on the European Charter for Researchers and Code of Conduct for the Recruitment of Researchers

The MTA Wigner Research Centre for Physics represented by *Dr. Péter József LÉVAI* *Director General* welcomes and fully supports the Recommendation of the European Commission on the European Charter for Researchers and Code of Conduct for the Recruitment of Researchers (hereinafter referred to as: the Charter & Code).

By endorsing the Charter & Code, Wigner RCP recognises the value of its principles and voluntarily commits itself to applying them.

This endorsement by the Wigner RCP is fully in line with its policy aiming at making a researcher's career more attractive and at enhancing the quality of research and innovation. The signature of the Charter & Code is also a further commitment to foster international collaboration and the various forms of researchers' mobility.

By implementing the principles of the Charter & Code of Conduct, the Wigner Research Centre for Physics intends to contribute to the realisation of an open and attractive European labour market for its researchers.
