

University of Medicine and Pharmacy "Victor Babeș" Timisoara, Romania, undersigns the "The European Charter for Researcher" and "The Code of Conduct for the Recruitment of Researchers"

November 6, 2006

University Medicine and Pharmacy "Victor Babeș" Timisoara, represented by Rector, Professor Ștefan I. Dragulescu and by Chancellor, Professor. Dan Gaita, entirely supports the Recommendation of European Commission of 11 March 2005 on the "European Charter for Researcher" and "The Code of Conduct for the Recruitment of Researchers".

Scientific research makes the difference between universities – and current medicine, at the crossroads of basic sciences and clinical research faces new challenges.

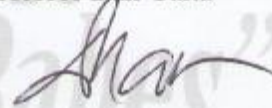

University of Medicine and Pharmacy "Victor Babeș" Timisoara is on the way to establish a modern department of scientific research, based on the *culture of competition* and oriented to the particular trends. Under surveillance of the University Senate, we defined the priorities and we improved the high-level research, promoting the interdisciplinary projects.

There are only 55 days before the official entrance of Romania in European Union – and these two key important documents for European research have the first priority for implementation.

We are glad to inform you that many of principles written in "European Charter for Researcher" and "The Code of Conduct for the Recruitment of Researchers" are already applied in University of Medicine and Pharmacy "Victor Babeș" Timisoara, but their implementation will represent guidelines for our activities and the guarantee of our professional work.

Rector,
Professor Ștefan I. Dragulescu

Chancellor,
Professor Dan Gaita
