All new!

EURAXESS has launched its new web portal making it even easier for researchers, entrepreneurs, universities and businesses in Europe and the rest of the world to interact with each other.

The revamped **EURAXESS** portal has been redesigned to create a user-friendly and personalised experience with a refined structure as well as new and improved features!

So what does the new EURAXESS portal have to offer? What's new?

Check it out!

Responsive design

Whether you use your mobile, laptop, or desktop – the revamped EURAXESS portal has been designed to adapt to any type of device!

Broader target group

Neither a researcher nor a research institution/university, but an entrepreneur or business? Don't worry, with the launch of the revamped portal, we have broadened our target group. We are now also addressing entrepreneurs and businesses.

NEED HELP?

Are you a researcher interested in carrying out your research in Europe? At this page you will find hosting offers (Expressions of Interest) from research institutions interested in supporting your application to the MSCA Individual Fellowships Calls, as well as offers from institutions which dispose of research infrastructures (facilities, resources, services or any other infrastructure of a unique nature essential to achieve excellence in research and innovation) and wish/are able to make them available to researchers, in an effort of supporting the research communities to conduct research and foster innovation in their field.

Internship offers

Are you just starting out as a researcher? Gaining insights into different laboratories or the work of research institutions in your field is invaluable. At EURAXESS, you will find just the right internship opportunity.

Training for Researchers

InvestHorizon: online courses at your own pace, available on demand [↗](#)

InvestHorizon offers a variety of free training courses, on topics such as business & management, entrepreneurship, industry & technologies, equity investment.

Particularly, at InvestHorizon you can find a massive collection of online courses on investment readiness, mechanics of investment and emerging sectors for investors, designed to prepare research entrepreneurs to maximise their potential to raise funding. Business support and presentational trainings for start-ups, early and growth stages companies are also available.

on-course®: inspiring biomedical science [↗](#)

on-course® is an industry and academia led course portal that is the most comprehensive and insightful biomedical postgraduate education and training resource in Europe.

Training resources

Supporting you in improving your career prospects as a researcher is important to us. That is why the new EURAXESS portal introduces a collection of research-related training resources. Make use of these resources and boost your career perspectives.

Career Development Centres

Apart from online resources, EURAXESS offers a free service that your research institutions can use for researchers: dedicated staff in our EURAXESS Career Development Centres provides advice on career development opportunities. Both registered and unregistered visitors can search for the nearest EURAXESS Career Development Centre.

Registration

Welcome to the new EURAXESS portal!!!

If you **already had** an account on the old EURAXESS portal, you can login using the **email** associated with your account and your **old password**.

Why Register?

Manage your application process

Registration at EURAXESS is free and comes with a lot of benefits for researchers and entrepreneurs.

Once you have registered you will be welcomed to My EURAXESS private area, where among many others, you will fill in and manage your user and researcher profile, Science4Refugees Buddy Programme preferences as well as many more.

It's quick, simple and free of charge. Register now and you will have your own EURAXESS user account in no time!

Manage your recruiting process

As a research institution, university or business, My EURAXESS area lets you manage your organisation profile, post job, funding and hosting offers, search for the best candidates and many more!

Register an account with us and join EURAXESS' large research community today!

CREATE NEW ACCOUNT

Register, subscribe and stay up to date

Schedule regular news, event and funding updates delivered directly to your e-mail inbox by subscribing to specific pages!

Find personalised assistance

Whether you have registered or not, the 555 EURAXESS Centres in 40 European countries offer free of charge personalised assistance to mobile researchers. Search for the nearest EURAXESS Centre and get support!

Upload your CV

Please use [EUROPASS](#) template to create your CV.

- [EUROPASS Template and instructions](#)
- [EUROPASS Examples](#)

*The CV uploaded under this section is **by default visible only to registered organisations**. You would upload a CV under this section, if you wish to make it searchable by hiring organisations registered in EURAXESS and (if this option is checked) by other EURAXESS members (researchers, entrepreneurs or anyone interested in research that has registered a account with us).*

If you select this option, you may consider/we advise excluding sensitive information from your CV, such as address, date of birth, id number etc.

Uploading a CV under this section does not imply that you are applying to a job opportunity on EURAXESS as the application process is handled outside the portal, by the hiring organisation; you will find details on where to apply under the Apply tab of each job description page

Make this CV visible to all registered users (researchers, entrepreneurs etc)

CV Attachment

[Download cv-12-06-2017.docx](#)  (0 bytes) [0 bytes](#)

REMOVE

Upload additional CV in PDF format

You have an extensive CV to showcase? No problem, the revamped portal lets you attach a CV in PDF format to your researcher profile and make it available to hiring organisations or all registered EURAXESS users.
