# I: JOBS & FUNDING

## JOBS DATABASE: JOBS.EURAXESS.ORG

The screenshot shows the homepage of the EURAXESS Jobs Database. At the top, there is a blue header with the European Commission logo and the EURAXESS logo. Below this is a navigation bar with links: JOBS & FUNDING (highlighted), PARTNERING, INFORMATION & ASSISTANCE, EURAXESS WORLDWIDE, and LOGIN / REGISTER. There are also search and globe icons. Below the navigation bar, a breadcrumb trail reads "HOME > JOBS & FUNDING". The main content area features a large banner image of a smiling woman in a lab setting. Overlaid on the banner is the text "Ready for a new opportunity?". Below the banner is a row of four buttons: "JOB OFFERS" (highlighted in blue), "FUNDING & HOSTING OFFERS", "WORKING ENVIRONMENT", and "CAREER DEVELOPMENT". Below this row, the text "Search for jobs and post your offer!" is displayed. Further down, two paragraphs describe the database's scope: "Take advantage of EURAXESS and find your job in research. EURAXESS lists thousands of vacancies and fellowships from more than 40 European countries and other regions in the world." and "Find talented and experienced staff at the click of a button. EURAXESS lists thousands of European and global vacancies and fellowships." At the bottom, there are two yellow buttons: "SEARCH FOR JOB OFFERS" and "POST JOB OFFERS".

# PARTNERING TOOL

## imec, imec.istart

Committed to supporting digital innovation and entrepreneurship in Flanders, the imec.istart business acceleration program supports entrepreneurs during the early development phase of their tech start-up. This incubation takes a minimum of 12 months and is meant to assess the feasibility of the business proof-of-concept, prepare the (commercial) launch of the first product(s) and establish the start-up to drive this commercialization together...
