**OUR AMBITION :
ONE DEVIALET
IN EVERY HOME**

Pushing forward the diffusion of our unique sound experience : Licensing Devialet Technologies

sky | DEVIALET

We listened to the experts.

Sky has partnered with Devialet, one of the most innovative names in audio. Sky Soundbox combines Sky TV intelligence with Devialet's groundbreaking acoustic technology, first developed for its critically acclaimed Phantom Speaker. This exclusive collaboration will take your Sky TV entertainment experience to the next level.
