

EURAXESS Science Slam North America winner in 2014

Name: Kurtis Baute
Institution: University of Guelph
Ridgetown Campus

“ There is no better way to share your science with the world than through the EURAXESS Science Slam. It is an absolute blast! ”

EURAXESS Science Slam ASEAN winner in 2013

Name: Dr Phanramphoei N. Frantz, alias “Jibby”
Institution: BIOTEC Thailand

“ Prior to participating in the EURAXESS Science Slam ASEAN, I had no connection with Europe. Not only was the Science Slam a lot of fun, but with the help of EURAXESS I'm now building strong research partnerships with Europe. EURAXESS is awesome! ”

ARE YOU READY?

Join the 3rd global EURAXESS Science Slam in 2015!

SLAM YOUR WAY TO EUROPE!

scienceslamnorthamerica.euraxess.org

EURAXESS is a European Commission's Directorate-General for Research and Innovation initiative

The Slam

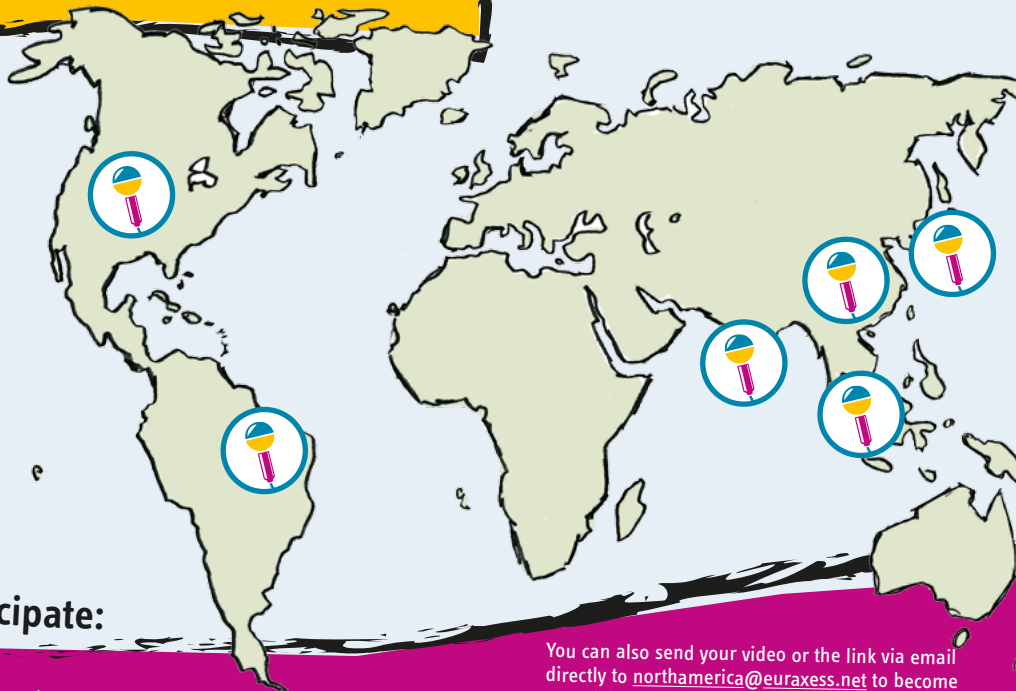

Do you want to have a rock star moment?
Present your ideas to the world?

Don't be afraid to tell the story of your research! EURAXESS Links North America is now looking for the **EURAXESS Science Slammer North America 2015**. Join the competition and enjoy the fun side of science! Submit a short video and get to the LIVE finals held in **Chicago, Illinois, USA on 19 October 2015**. Only one slammer will win the Slam crown – and a free trip to Europe as first prize!

In Europe, you will have the opportunity to visit a European research institution of your choice, participate in a 1-day science communication training, meet representatives of the European Commission in the headquarters in Brussels and catch up with the other five winners from ASEAN, Brazil, China, India and Japan!

About EURAXESS Links

EURAXESS Links is a networking tool for European researchers working outside Europe and non-European ones wishing to collaborate and/or pursue a research career in Europe. It has thus far been launched in ASEAN (as a hub encompassing Singapore, Thailand, Malaysia, Indonesia and Vietnam), Brazil, China, India, Japan and North America (encompassing Canada and the USA). EURAXESS Links provides information about research in Europe, job vacancies, European research policy, as well as opportunities for research funding, international collaboration and trans-national mobility.

How to participate:

Step 1: Get creative and develop an original idea to present your research project to the world: Old-school presentation, tap dancing, singing, live experiment – everything is allowed (as long as it is decent ☺).

Step 2: Make a 3-min max video of your presentation with your camera phone, digital camera or equivalent.

Step 3: Upload your video via the Drop-it-to-me platform at the following link: http://www.dropitto.me/EURAXESS_Links_NA

OR upload it on any other platform (such as YouTube, Dailymotion, etc.) and post a link to our [Facebook site](#), our [Twitter page](#) or our [LinkedIn group](#).

You can also send your video or the link via email directly to northamerica@euraxess.net to become one of the finalists to compete in the LIVE slam!

All Science Slam presentations must be in English.

The EURAXESS Science Slam is open to researchers from all fields, including Social Sciences and Humanities, Life Sciences and Physical Sciences and Engineering. Eligible for participation are researchers at all career levels starting with MA/M.Sc. candidates working in either public or private research.

Submission is open from 29 May to 21 September 2015.

For more information and making sure you respect all the requirements to participate, please visit our country website: <http://scienceslamnorthamerica.euraxess.org>
