Prepare a project proposal in 3 steps:

1. Check Call details on the website
2. Set up your project consortium
3. Proposal submission in PT Outline by project coordinator

THREE STEPS

Step 1: Call Details

Check Call text on website: <https://www.sea-eu-jfs.eu/calls>

Does the **thematic area** match your proposal idea?

Does your **country** participate in the 7th Call?

Yes? → Download the **National Regulations** from your country!

National Regulations:

- Eligible topics
- Eligible institutions
- Eligible cost categories
- Funding limits
- Additional national registration / submission procedures etc...

Step 2: Project Consortium

Set up a project consortium according to the 2+1 rule:

- Minimum of 3 partners from SEA and Europe
- At least 1 partner from SEA + 1 partner from Europe must be eligible for JFS funding
- The third partner does not necessarily need to be eligible for funding through the JFS but must be either from Europe or from SEA
- Additional partners from any region in the world may join your consortium in addition to the 3 mentioned partners. If not eligible for funding, they must bring their own funding

Step 2: Project Consortium

You are still searching for the right partner?

Register in our JFS Partnering Tool:

<https://www.sea-eu-jfs.eu/info-partnering-tool>

Advantages:

- You can visit the profiles of all registered users
- Other users can find you.

Maybe you are the perfect match for someone you don't know yet

Functionalities of the **JFS Partnering Tool**:

- Create your Researcher Profile
- Create your Project Idea
- Create your Partner Request

Information about Data Protection

DLR / Joint Funding Scheme Project Management takes the protection of personal data very seriously. We want you to know when we store data, which types of data are stored and how it is used. As an incorporated entity under German civil law, we are subject to the provisions of the [EU General Data Protection Regulation \(GDPR\)](#), the [Federal Data Protection Act \(BDSG\)](#) and the [Telemedia Act \(TMG\)](#). We have taken technical and organisational measures to ensure our compliance and the compliance of external service providers with the data protection regulation.

This website uses SSL – that is, TLS encryption – in order to protect the transfer of personal data and other confidential information (for example, orders or enquiries sent to the controller). A connection is encrypted if you see the character sequence "https://" and the padlock icon in your browser's address bar.

I. Name and address of the controller

The controller in the meaning of the General Data Protection Regulation, other national data protection laws in the Member States and related data protection regulations is:

...

Whenever preparing or any other administrative or judicial remedy, you have the right to lodge a complaint with a supervisory authority, in particular in the Member State on your normal residence, your place of work or the place of the alleged infringement, if you consider that the processing of personal data relating to you infringes the GDPR.

The supervisory authority with which the complaint has been lodged is required to inform the complainant on the progress and the outcome of the complaint, including the possibility of a judicial remedy pursuant to Article 78.

I agree to the processing of my personal data and have taken note of the data protection declaration. In particular, I have taken note of my right of withdrawal. I am aware that my data can only be deleted prematurely if I have not yet submitted my complete application.
