What languages will you need?

- Vast majority of Master courses are taught in English, but...
- ...whatever the language of instruction, it is important to have the right level of linguistic ability, and...
- ...chance to enroll in tailor-made language courses, add to your skills and improve your employability

If you are successful:

Prepare your visa requests/other administrative procedures

Ensure you have all the necessary documents ready well in advance (originals, certified copies)

Ensure that you are properly informed about your rights and obligations laid down in the student agreement

Ask advice and support from fellow students who have already benefited from an EM scholarship (see EMA website)

Dealing with the new normal

Priority 1 - health and safety

- Europe's universities working hard to offer safe international studies
- Things will be different this year

Priority 2 – no-one should miss out

- New blends, new timetables

The future – more of the same!

- The current Erasmus+ programme runs from 2014-2020
- Don't worry – a new programme for 2021-2027 is ready for launch at the end of 2020 or early 2021
- Continued opportunities for degree programmes and exchange schemes for students and academics from Malaysia and other countries worldwide
