Uni-Italia: opportunities and support

Uni-Italia is founded jointly by the Ministry of Foreign Affairs and International Cooperation, the Ministry of University and Research, the Ministry of Interior of Italy

Uni-Italia's mission is to promote Italian Higher Education, facilitate the mobility of foreign students and researchers to Italian universities, and facilitate academic cooperation between Italian and Vietnamese universities

Uni-Italia - organises the fair **Study in Italy**, next will be on **12 October in Hanoi, 13 October in HCMC**
- offers **free online courses** of Italian language and culture

Embassy of Italy
Hanoi

Calls for PhD are published every year in May/June they are open to Vietnamese candidates

Italian Universities are supporting **1219 Schools for PhD** in all the research areas, the lists of the PhD Schools of Italy is available at <https://cercauniversita.mur.gov.it/php5/dottorati/cerca.php>

Most PhD Schools have position dedicated to **foreign candidates**

The selection to access to the PhD is commonly based on

- Evaluation of the CV
- Evaluation of the research proposal submitted by the candidate
- Colloquium

From the above link you can select the school of interest and go the web site of the University for more details.
