

Research & Innovation Opportunities with the Netherlands

Netherlands
Innovation
Network

Netherlands Innovation Network

Who we are? What we do?

- **NIN fosters international cooperation for companies, research institutes and public authorities in the fields of science, technology, and innovation**
- **India is an important bilateral partner in STI for the Netherlands**
- **Forges partnerships to address common societal challenges in water, agriculture, and health, leveraging key enabling technologies such as AI, Big Data, Cybersecurity, and Space.**

Why the Netherlands?

Innovation Network - Over 70 years in 16 countries

- **Top 10 Global Research Hub** with world-class facilities
- **PhD = Employee Status** (Salary: €2,500–€3,200/month)
- Multicultural work environment fostering **innovation & Collaboration**
- **High Impact Research Fields:** AI, Life Sciences, Energy, MedTech, and more

- **Funded PhD positions:**
 - Universities hire PhD candidates as employees
 - Salary and research costs covered
- **Self-Funded PhD Programs:**
 - Scholarships and grants like **Orange Tulip/Erasmus+**, **NWO**, **DST-INSPIRE**
- **Sandwich PhD Programs:**
 - Split research between **India** and the **Netherlands**

WAH! Knowledge and Innovation- Agenda

Critical Tech in Water, Agritech, Health sector

Our Focus Domains

**Lifesciences and
Healthcare**

Water

Agriculture

Semicon

Space

Quantum Technologies

Energy and Climate

Cyber Security

Netherlands Institutions

Netherlands Enterprise Agency - RVO

- Government agency which is part of the Dutch Ministry of Economic Affairs and Climate Policy - EZK
- Helps entrepreneurs and organisations to invest, develop and expand their businesses and projects
- Supports entrepreneurs, NGOs, knowledge institutes, policymakers and organisations

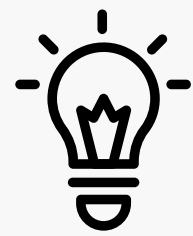

Dutch Research Council - NWO

- Important science funding body in the Netherlands that realises quality and innovation in science
- Invests almost 1 billion euros in curiosity-driven research, research related to societal challenges and research infrastructure every year
- Encourages national and international collaboration, facilitates knowledge utilisation and manages research institutes
- Funds more than 7200 research projects at universities and knowledge institutions

Bilateral Call Instruments

FUNDING INSTRUMENT	INSTITUTE	DETAILS
MERIAN FUND	NWO-DST-DBT	2 CALLS ANNUALLY
MISSION DRIVEN CALLS - KIC	NWO	1-2 CALLS ANNUALLY
GLOBAL STARS	EZK	1-2 CALLS ANNUALLY
INNOVATION MISSIONS	EZK	YEARLY
WAH! AGENDA	NWO-DST-DBT	YEARLY ONE PER DOMAIN
TECH-BRIDGE	EZK	3 CALLS ANNUALLY

WAH! Knowledge and Innovation Agenda

- On the completion of the 15th year of collaboration between the Netherlands and India on science, technology, and innovation we compiled a beautiful publication on our Knowledge and Innovation Agenda WAH! with more than 45 STI-projects that we have worked on together.
- The publication was introduced at our joint working group meeting in July 2023

WAH! Agenda Booklet

Overview of Research Programs

(14 Joint Calls – Supporting > 45 bilateral R&D Projects)

ONGOING CALLS

- Integrative and Fit-for-Purpose Water Sensitive Design Framework for Fast Growing Livable Cities (Water4Change)
- Changing the fate of the Hindon River by evaluating the impact of agriculture on the water balance and developing a template for a cleaner Ganga River
- Personal Health Train for Radiation Oncology in India and the Netherlands (TRAIN)
- BIONIC: Big Imaging Data Approach for Oncology in Netherlands and India
- NWO DST Water Disaster Management Call on Flood and Drought (3 calls)
- NWO DBT Climate Smart Agriculture

Indo-Dutch Innovations!

Our latest Innovation Missions in 2023 & 2024

- **Nov 2023: Innovation Mission to India: Data for Better Health Outcomes in Oncology**
- **May 2024: Innovation Mission to the Netherlands: Space Technologies**
- **Oct 2024: Innovation Mission to India: Water in AMR**
- **Oct 2024: Innovation Mission to India: Integrated Biorefineries Mission to India**

Upcoming Missions and Events - 2025!

- **Innovation Mission to India: Semicon**
- **Innovation Mission to India: Hydrogen**
- **Innovation Mission to India: Waste to Value**
- **Major Events in India: Bengaluru Tech Summit, Global Space Exploration, Semicon India**
- **Space Law and Policy Executive Course with IIASL, Leiden**
- **Sweet 16: Innovation Tech Summit**
- **Report Launches: Quantum, Biotransition and MedTech**
