

A Talent Program for Cyber-Defence Research

CYD Fellowships

Are you eager to undertake research in Switzerland and contribute to new solutions in **Cyber-Defence**?

EPFL, the Swiss Federal Institute of Technology in Lausanne, and the Swiss Cyber-Defence Campus have jointly launched the «CYD Fellowships, A Talent Program for Cyber-Defence Research» to build the next generation of research leaders in cyber-security. The program has four types of fellowships:

Master Thesis	Doctoral	Postdoctoral	Proof of Concept
6 months	4 years	2 years	1 year
Living allowance	Salary	Salary	Personnel costs
Research & conference funds	Research & conference funds	Research & conference funds	Development costs

Applicants must be enrolled at a Swiss higher education institution and receive the endorsement of a professor willing to supervise them. For Proof of Concept, applicants must be hosted by a Swiss higher education research center or their own startup based in Switzerland.
