## Hosting MSCA Postdoctoral Fellows in LAC

### Why hosting a Marie Skłodowska-Curie Actions (MSCA) postdoctoral global fellow ?

Check the benefits:

1. The position is **fully funded** by the European Commission.
2. **Access to highly qualified researchers:** MSCA global fellows are highly qualified and experienced researchers who have a strong track record of research excellence.
3. **Networking opportunities:** Hosting a MSCA global fellow can help to expand the professional networks of the host institution by providing access to new contacts and funding opportunities.
4. **International collaboration:** Hosting a MSCA global fellow will foster international collaboration and exchange between LAC institutions and research communities, develop joint projects, and create opportunities for further collaborations.
5. **Visibility and prestige:** Hosting a MSCA global fellow will raise the profile and visibility of the host institution by demonstrating its commitment to research excellence and international collaboration.

### How to attract MSCA Postdoctoral Fellows to your institution?

- Express your interest by **posting a hosting offer** on the EURAXESS portal. Follow the step-by-step guide on how to post hosting offers here:

Please submit your proposal at the latest **48 hours before the deadline** (to avoid system congestion or system incompatibility issues). Late proposals will not be accepted. Don't wait until the end because you are worried about confidentiality – we will not open the proposals before the deadline.

**You can submit the proposal as many times as you wish up until the deadline.** Each new submitted version will replace the previous one.
