

Slovak Academy of Sciences

Zuzana Hrabovská

Slovak Academy of Sciences (SAS) is celebrating the 70th anniversary of its foundation

- Top national scientific Slovak institution
- > Public institution undertaking top academic non-university research in Slovakia
- Research carried out in natural, technical, medical, agricultural, social sciences and humanities
- 2.147 employees, 509 doctoral students (30% international doctoral students)
- 45 independent institutes grouped in three scientific sections Detailed info on: <u>https://www.sav.sk/?lang=en</u>

Scientific Sections

Physical, Space, Earth and Engineering Sciences

Social Sciences, Humanities, Arts and Culture

Why Academia

Our mission:

 > top level basic research
> scientific infrastructure available to all interested parties
> long term strategic and applied research development
by co-operation to transfer knowledge into practice

CIENTIAR

We know how

RESEARCHERS IN MOTION

HR Exellence in research award. SAS Follows the principles of the European Charter for Researchers and Code of Conduct for Recruitment of Researchers

https://hrs4r.sav.sk/en/home/

Proud member of the Euraxess Slovakia Network, we provide services on visa, entry condition, taxation, social security and daily life in Slovakia https://euraxesspo int.sav.sk/domovenglish/

Is have non-weed faceding from and transmitting from and provide programs (which is blackward over part agreement No. 967472

Do you have the right

Sign up and get:

- the opportunity to work for 5 years on your own project
- the chance to build your own research team
- financial support up to € 160,000 per year

more info on the website

www.impulz.sav.sk/en

Are you a student of daily form of doctoral study ?

Is some of the SAS organisations your training workplace? ?

<

Štefan Schwarz Support Fund

Štefan Schwarz Support Fund

The Štefan Schwarz Support Fund was established in 2004 with the aim of enabling SAS organizations to employ more young researchers.

Why Slovakia?

- Slovakia is a central European country bordered by Poland, Hungary, Austria, Ukraine and Czechia. The population is around five and half million people.
- The capital is Bratislava, the largest city in the country. Slovakia has been a member of the European Union since 2003 and Eurozone since 2009. The country as it exists today was founded in 1993, when Czechoslovakia split up into Slovakia and the Czech Republic. Since then, the country has been growing in importance in Europe.
- Slovakia also remains a country with deep heritage, where tradition, culture, music, conversation, time to relax, listen and make friends are all important.
- For more information about Slovakia as a place to live and work including travel, food, shopping, accommodation, climate and practicalities see https://slovakia.travel/en

WWW.UMB.SK UNIVERSITY

ALEXANDRA BITUŠÍKOVÁ; ALEXANDRA.BITUSIKOVA@UMB.SK

KAMILA. BORSEKOVÁ; KAMILA.BORSEKOVA@UMB.SK

GENERAL OVERVIEW

UMB: 6 faculties

- Faculty of Economics
- Faculty of Education
- Faculty of Arts
- Faculty of Natural Sciences
- Faculty of Law

Faculty of Political Sciences and International Relations

UMB IN NUMBERS

- 7000 students
- 500 academic/research staff

- Excellent research: the best Slovak university in number of successful H2020 projects in SSH
- Horizon Europe projects: BRRIDGE; ARCHE, GENDERACTIONplus, ECOSENS, ...
- Support centres:
 - University Centre for International Projects
 - Centre for International Relations
- Extensive cooperation with practice

WHY TO COME TO UMB?

- Broad research opportunities and excellent international research collaboration
- Excellent library
- Numerous sports facilities
- Refurnished dormitories
- No I university in Slovakia to be awarded HR Excellence in Research
- No I university in Slovakia to have an Open Access Strategy
- One of the first in Slovakia with Gender Equality Plan
- On the way to Green University
- Tons of fantastic university events!

WHY TO COME TO BANSKÁ BYSTRICA?... ...because rich history shaped its current beauty

- In 1255 king Belo IV promoted the status of a free royal city
- Banská Bystrica was member of the exclusive trio of the richest central Slovakian mining towns in Middle Ages
- Fugger and Thurzo families founded the prosperous, largest, and most modern early-capitalist company of that time.
- Depending mainly on the mines around Banská Bystrica, the company became the leading world producer of copper by the 16th century.
- In August 1944 became the centre of the Slovak National Uprising, the second largest insurrection against the German Nazi regime following the Yugoslav partisan war

WHY TO COME TO BANSKÁ BYSTRICA?because it is a nice place to live and do research

- Banská Bystrica a pleasant city of 80 000 inhabitants
- Located in the heart of Slovakia in a beautiful mountainous area
- An attractive environment and a charming historic city centre
- Vibrant urban life with the largest youth club in Slovakia, lots of cafés, pubs and restaurants

WHY ELSE TO COME TO BANSKÁ BYSTRICA?because it is nice in spring...

...and in summer...

...colorful in autumn...

...and cool in winter...

COME AND SEE...

FunGlass formulas to unlock your MSCA success story (together).

Peter Hošták, PhD. Head of Administration and European Projects Office

Trenčín - European Capital of Culture 2026

https://www.trencin2026.sk/en

FunGlass - Centre for Functional and Surface Funcionalized Glass

university embedded CoE with quasi faculty status

- Basic/fundamental research
- Training doctoral program (chemical engineering and technologies - inorganic technology and non-metallic materials)
- Applied research and intersectoral collaboration

Centre for Functional and Surface Functionalized Glass | Alexander Dubček University of Trenčín www.funglass.eu | info@funglass.eu

Profile

VILA - joint department of the IIC Slovak Academy of Sciences & TnUAD Prof. Dušan Galusek

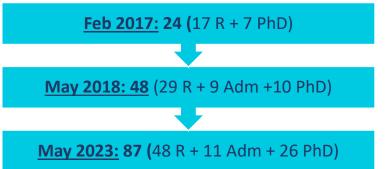

Central Laboratories Dr. Dagmar Galusková

Administration and Projects Office Dr. Peter Hošták

AREAS OF EXPERTISE

Research of glass and ceramic materials with special emphasis on study of functional properties (luminescence, electric, magnetic, catalytic, sorption) and functionalization of conventional glass with the aim to modify mentioned characteristics and add new functionalities.

Topics matched with Departments	Funct. Glass	VILA	Central Labs	Bio- materials	Glass Processing	Coatings
Corrosion, corrosion protection						
Biomaterials						
Measurement and modeling						
Functional glass/glass-ceramics/ceramics						
Upcycling of inorganic/glass waste						
Structural materials						
Coatings						
Additive manufacturing						

FunGlass HOSTING OFFER 1 + 1 = EXCELLENT PROPOSAL

SITE VISIT (LET'S GET TO KNOW EACH OTHER)

• A 2-week stay (funded from FunGlass visiting researcher program) to crystallize the story of your proposal.

• Access to senior researchers, state-of-the-art research facilities and research administrators.

ACCESS TO NETWORK OF ATTRACTIVE SECONDMENTS

• Since 2018 track record of more than 700 person-months of secondments (researchers + PhD Students) with leading European academic and industrial R&I partners.

GRANT PROPOSAL SERVICES (LET US HELP YOU)

 Support from a project management team with know-how to prepare and coordinate large multinational research projects (more than €35 million in secured funding through competitive grants since 2017)

FunGlass HOSTING OFFER 3 for 1 = HIGHER CHANCE OF SUCCESS

Proposal with a score higher than 85% (Seal of Excellence).

ROUND ONE: HORIZON-MSCA-2023-PF-01-01

Results in 2022, panel Chemistry: Cut-off point for funding 91.8 pts (approx. 18% of 920 proposals).

ROUND TWO: HORIZON-WIDERA-2022-TALENTS-02 (only for Widening Countries)

Results in 2022: Cut-off point for funding 89.6 pts (17.28% if 351 eligible proposals).

ROUND THREE: Recovery and Resillience Plan of Slovakia

National call to support MSCA-PF proposals with Seal of Excellence (<u>https://vaia.gov.sk/wp-</u> content/uploads/2022/11/Investicia_1_1.3_zamer_podpora-SoE_web.pdf?csrt=6650216345196113634)

FunGlass HOSTING OFFER

3 for 1 = HIGHER CHANCE OF SUCCESS

RECOVERY & RESILIENCE PLAN OF SLOVAKIA

FunGlass HOSTING OFFER

4 > 2 = HIGHER IMPACT

• Contract extension: 2 + 2 (2y MSCA grant + 2y FunGlass funds).

- FunGlass will offer its MSCA fellows a unique <u>option to extend duration of</u> <u>their contract</u> by two years (under the same terms as MSCA PF grant but funded from FunGlass institutional resources)
- We are seeking new talents and want to support the full implementation of the project and maximize its impact.

State-of-the-art research infrastructure

- Includes an investment of €9M in new laboratories inaugurated in 2023.
- Details on our equipment see <u>https://www.funglass.eu/equipment/</u>

FunGlass Equation

FG = GF (FunGlass = Good Friends)

- Our team comes from 16 countries / 4 continents.
- Women make up 47%.
