I undersigned declare that:

- 1) I have not been awarded with a doctoral degree at the date of expected recruitment.
- 2) I have not, at the date of expected recruitment, resided in the country where the research training takes place for more than 12 months in the 3 years immediately prior to recruitment, and not have carried my main activity (work, studies, etc.) in that country. Compulsory national service, short stays such as holidays, and time spent as part of a procedure for obtaining refugee status under the Geneva Convention are not taken into account.
- 3) I satisfy the eligibility requirements to enroll on a PhD degree, including acceptable English language skills

GDPR Compliance

The Eco2Wine project consortium and the personnel involved in the recruitment process are processing your data. The data will be processed exclusively for the selection and recruitment procedures. We process your data in compliance with the EU's General Data Privacy Regulation (GDPR), the national data privacy laws and other applicable national laws. We use the data you issue to us, including your name, address, email address, phone number and CV, to process your application and to contact you. We store your data only for as long as it is necessary for the recruitment process. We will not provide any information about you to third parties, apart for reporting to the European Commission or if we are required by law to do so. After conclusion of the recruitment process, we will delete your data.

I hereby give consent to the storage and processing of my data by the Eco2Wine project consortium, and any further personnel involved in the hiring process within the partner organisations, following the EU General Data Protection Regulation 2016/679 as described above.
